Our Services

Deluxe Logistics serves a wide range of services for the utmost satisfaction of the valued customers:

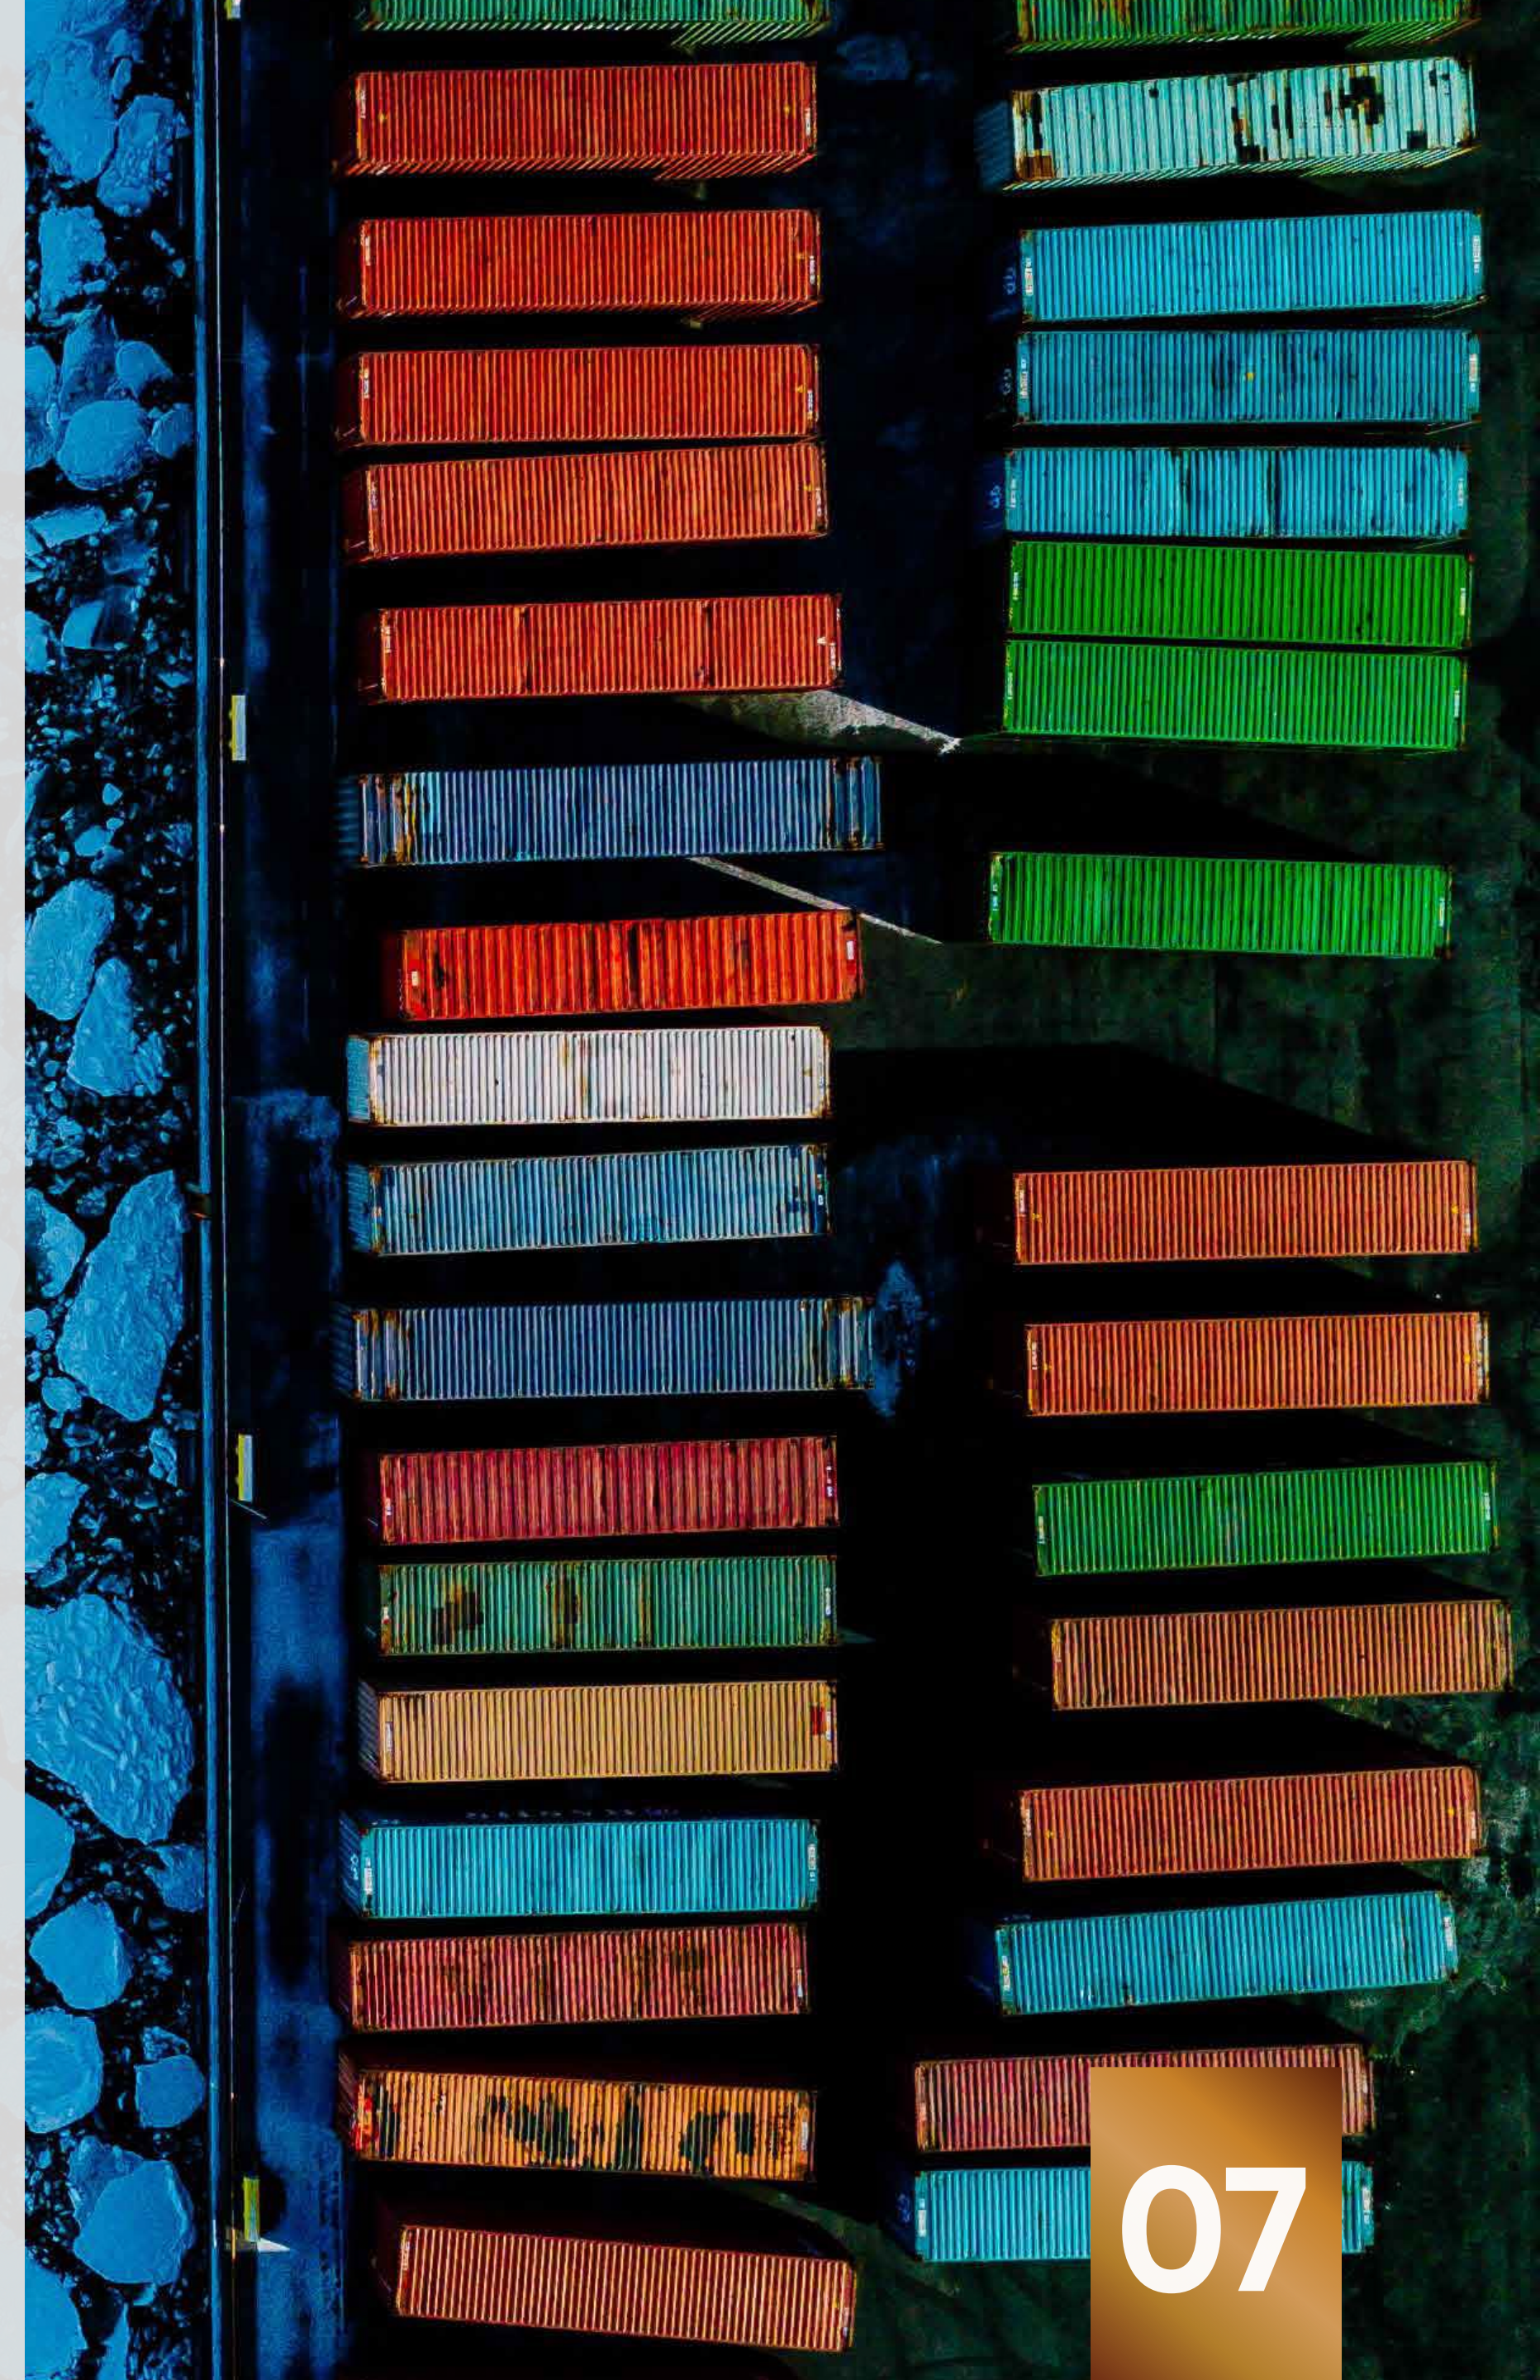

- Worldwide Air Freight
- Hassle free Land Freight Specialist
- Ocean Freight
- Events and Exhibitions Freight specialist all GCC Countries
- Custom Clearance Services all GCC Countries
- Warehousing and Distributions Services
- EoR and IoR Services

Air Freight

When it comes to shipping goods for urgent needs or where there is no sea port, air freight services are the best option to meet tight deadlines. Deluxe Logistics provides the fastest hassle-free Air Freight services to make available the goods for our valued customers at their doorstep.

Moreover, Deluxe Logistics provides the best air rates due to direct booking with airlines and hence our valued customers save the freight cost.

Land Freight

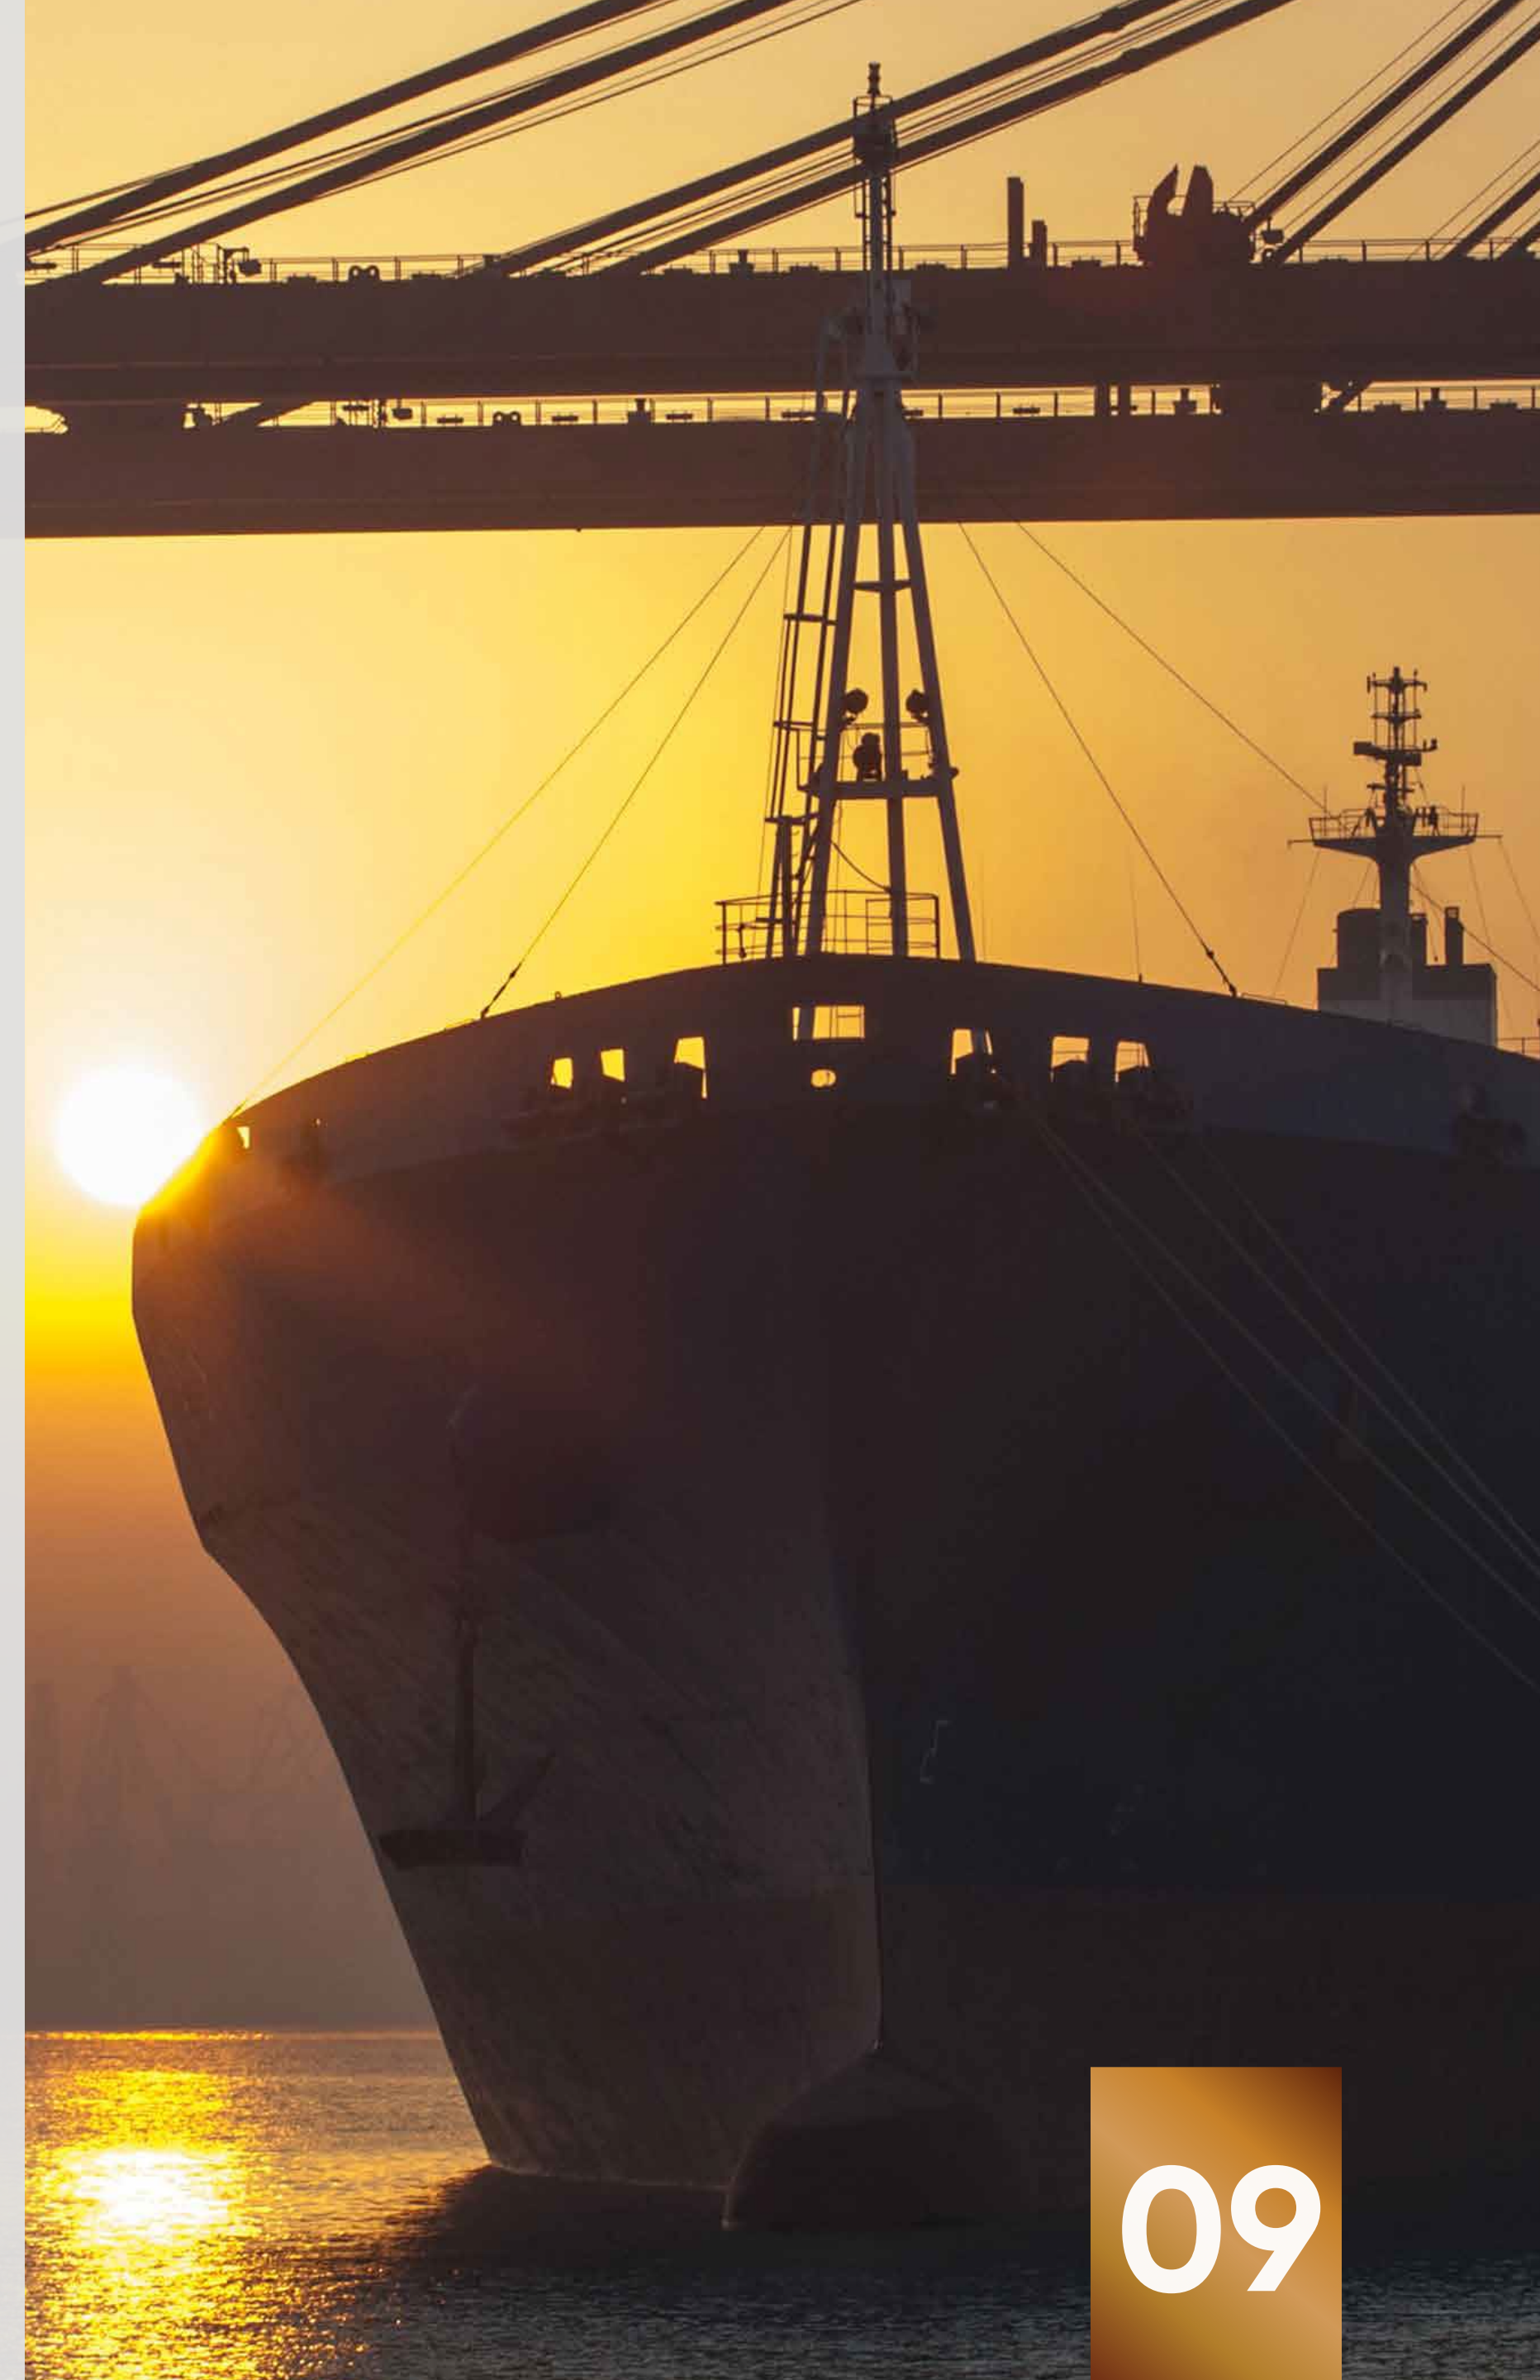

Deluxe Logistics provides land freight services in the Middle East, especially in GCC countries. Although it's difficult to clear the custom through land transport as compared to air freight. Deluxe Logistics provides hassle-free door-to-door land freight services and meets the customers deadlines beyond their expectations.

Deluxe Logistics Land Freight rates are much more economical due to direct lease agreements of trucks, vehicles, containers and haulers and hence we are saving the cost of our valued customers due to eliminating the intermediaries.

Ocean Freight

When shipping goods internationally, you may find that the rates and incoterms of Sea freight services vary from country to country and depends on the types of shipment.

Whether you are looking for a fast way to ship, trans-shipments, If you're unsure of which services are right, you should contact our company to find out the best solution for your shipment. We customize the shipping process to meet our valued customer's specific needs.

Custom Clearance Solutions

Custom clearance services are necessary for the proper import and export declarations. Deluxe Logistics helps valued customers from all over the world and does all in-house with our expert professional in this complex process.

We also help our customers to save money in this process because many other shipping and freight forwarding companies collect a large amount of money from customers in the name of duties, taxes, etc where these duties and taxes are either low or not occurred at all.

Events and Exhibitions Freight Specialist

Events and Exhibitions industry is rapidly growing all over the world, especially in GCC Countries like UAE and Saudi Arabia. Well, it's not easy to pass the boundaries of any country with the bulk of the material used in Events and Exhibitions.

Deluxe Logistics became the market leader in providing timely delivery of Events and Exhibition material at the Event site. Timely delivery of material in this particular field plays a big role to make the projects and events successful which ultimately increases the goodwill of the Events and Exhibition companies.

EoR and IoR Services

We make hassle-free movements of goods for our customers in all over the world even though our customers do not have any trade license or their consignee does not have any import/export code at origin/destinations.

Our Exporter of Record (EoR) and Importer of Record Services makes it possible for our customers to enjoy all the benefits of movements of goods same as if they would have their own trade license and importer/exporter code at origin/destinations.

Deluxe Logistics saves lots of costs for the valued customers and only charges a nominal amount for this particular service.

Warehousing and Distribution Services

Deluxe Logistics provides dedicated and shared warehousing and distribution services to ensure that our customers deliver the product to the ultimate customer/user on time.

Value Added Services

Deluxe Logistics is at a level of 3PL, in addition to our Logistics services we are also providing valued added services listed below:

- Inventory Management
- Registering trader's product at govt portals for import/export
- Coding/Labeling of finished products
- Implementing Warehouse Management Systems (WMS)
- Online Shipment Tracking Systems.
